## Fall Season

### Color Card of America

ISSUED BY

THE TEXTILE COLOR CARD

OF THE UNITED STATES, INC.

315 FOURTH AVE., NEW YORK

**1922 FALL SEASON**

In addition to the colors shown in this card we also recommend the following from the Standard Color Card.

STRAWBERRY  
ECRU  
BEIGE  
COPENHAGEN  
CORAL  
TERRA COTTA  
NAVY 2  
MIDNIGHT

**NOTE:**

By standardizing colors for industrial purposes The Textile Color Card Association aims at simplifying color work.

The Standard Color Card of America contains 133 STANDARD COLORS.

The Season Cards show standardized colors forecasting each seasons color development.

While the greatest care is exercised in dyeing and manufacturing the color material of our cards, slight variations in duplicating colors in different issues cannot always be avoided. We therefore suggest that users of our cards specify the card from which the color is selected by season, in case of the Season Cards, and by edition in case of the Standard.
